

Fellow Dragons

A banner destroyed, an ancient bond broken and the land cries out in torment. The Dragon has been dealt a grievous blow and our enemies are quick to see us buried. Now is the time to take a stand, to show that the Dragon is truly to be feared. We will claim our birthright in blood. We will begin our fight in Connaught to destroy the unliving abomination Gruffydd. Our enemies shall learn that Dragon soil is not their prize but their grave.

Monster Bookings We're continuing the paired player/monster scheme for bookings. Everyone wishing to play should try and find a monster booking to pair with so we have a good player to monster ratio. Dragons Faction campaign events always have a high number of monsters due to this system, please do your best to support it. If you book without a monster we aim to pair you on muster.dragonsfaction.org. If monster bookings are low we may be forced to ask unpaired players to monster instead (with a full refund). If you really want to play then please bring a monster! More monsters means more fun for you and less strain on the monsters.
