

Dragons.

The Feasting time is over and Darkness still stalks the land.

The World still turns and time moves on.

The Fallen are mourned and spring brings new life to the land.

The Time of War approaches and we must be prepared.

We meet in Parliament at Tre'r Talisein.

We meet to drink, fight and come together for games of strength and skill.

We meet to plan for the coming year and look back and honour those that have been before.

We meet together as two nation's one people.

We meet together as Dragons
